

Dear Madison Little League Families:

Following in the footsteps of last year's successful fundraiser, we are partnering with Cravin' Cookies again this year. Please see the brochure linked below for information about the terrific selection of products in this year's program including:

- Cookie Dough
- French Bread Pizzas
- Bavarian Pretzels
- Cheesecake
- Pastries
- and more!

All products are freezer stable for 6-12 months and can safely be thawed and refrozen as needed.

Funds from this sale will go toward the ongoing refurbishment of fields and batting cages at all sites, and overall fields and facilities maintenance and upgrades.

**This is one of our most successful fundraisers.  
Last year, we raised more than \$4,000 with only about 50 players selling.  
Imagine what we could accomplish with greater participation!**

**Simple Steps to Successful Sales:**

- 1) Market the PRODUCT BROCHURE to friends, family and neighbors.
- 2) Use the ORDER FORM to record customer orders and amounts owed. Collect payments at the time of order.
- 3) Transfer the grand totals of each item sold to the TALLY SHEET. Keep your Order Form so you have a record of your orders for delivery.
- 4) Turn in payments and Tally Sheets to Jennifer Walsh at the Rosedale Snack Hut between April 19th and 22nd. We accept cash, money orders, and checks made out to Madison Little League.
- 5) Product delivery will take place about four weeks after we collect all orders. Sellers will be notified in advance of deliveries being made.
